

REMARKS

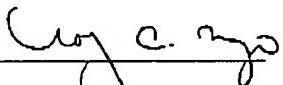

The above-identified application is United States application serial number 10/828,448 filed on April 19, 2004.

Specification

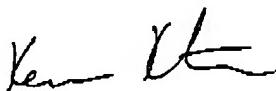

Applicant has added new paragraph [0010] so that a brief description of all drawings is included. The added language is taken from the Description section in original paragraph [0023] so that no new matter is added.

CONCLUSION

The application is allowed. Should any issues remain that might be subject to resolution through a telephonic interview, the examiner is requested to telephone the undersigned at (949) 251-0250.
